## Welcome to the Tip O' Texas RV Resort!

We're super excited about what we have planned for everyone this year, are you ready for some fun. First we'd like to let you know how the "FUN" happens at THE most active park in the Rio Grande Valley.

**ALL** Tip O' Texas activities are run exclusively by **VOLUNTEERS**. Volunteers are residents at the Tip, just like you and me. They come in all shapes and sizes and bring with them a wealth of knowledge, experience and hard work that contribute immeasurably to help make the Tip O' Texas stand out from the rest of the parks.

Although some of our volunteers are experts in their areas of volunteer work (many have backgrounds in things like sales, carpentry and management) some of our volunteers have no experience at all but they bring with them **a desire to help out** and **a smile on their faces**. It's really just that simple, and with the right attitude anyone can help to contribute to the great atmosphere we have going on here at "The Tip". Just stop by the Volunteer Board in the main hall and find something that suits you!

If you find yourself looking through the **85+ activities** we have scheduled this year and still can't seem to find something that strikes your fancy, not to fret! **YOU** can start an activity yourself! Each activity requires a chairperson who is essentially a contact person and coordinator for the event. So, in other words, you definitely don't have to do all the work yourself. Come by the Activities Office and we'll be happy to help you get started.

Thanks to all our dedicated volunteers for creating a truly great place to live!  
Steve and Trish Moore

# Your Activities Board & Fund Working for *You*

All these great activities you enjoy at the Tip O' Texas RV Resort are funded through the Activity Fund and donations. And where does Activity Fund money come from?

**Activities!** Every ticket you buy to an entertainment act, every meal you enjoy, anything bought from the Outpost, all those 50/50 tickets and so much more go right back into making more activities and improvements possible. The Tip O' Texas supports activities by providing the facilities and occasionally material, monetary or labor assistance.

- Netting was purchased for the water volleyball.
- Netting was purchased for Pickleball.
- All the lights in the pool room were replaced.
- A new popcorn machine was purchased to replace the one we have had for years.
- The Outpost General Store was remodeled and a canopy was added to the front of the building.
- More songs were added to our Karaoke Library.
- Activity Office computer programs were updated.
- New and repaired nets for the tennis courts.
- Sewing room lights were upgraded to LED
- Wooden tables were replaced by new plastic tables.

**These are just some of the things that the Activities Board has done for the residents last season and this summer. Thank you!**
