

## How to Download Product Manuals (PDF files)

Languages 

Product manuals are available on the [Apple Support website](#) in PDF format. [Adobe Acrobat Reader, Preview or Safari \(for Mac users\)](#) is required to view a manual. To download Acrobat Reader free, visit the [Adobe website](#).

To download a manual:

**Using a Mac with Safari:**

- 1) Click the manual you want to download. It will open in Safari.
- 2) Go to the File menu and choose "Save as."
- 3) Choose a location to save the manual.

**Using a Mac with Firefox:**

- 1) Click the manual you want to download. Firefox will ask if you want to open or save the document.
- 2) Choose Save and select a location to save the manual.

**Using a Windows PC with Internet Explorer or Firefox:**

- 1) Click the manual you want to download. It will either open in your web browser or Acrobat Reader.
- 2) Go to the File menu and choose Save (or save page as).
- 3) Choose a location to save the manual.

**NOTE:** If the manual does not open in your web browser or Acrobat Reader, you need to install Acrobat Reader from the [Adobe website](#).
