Hello to all: To begin with...Tennis notes:

1. Fun meet on Saturday, but **NOT** Tacky Tennis, just regular meet. We'll soon catch up on all of our missed meets. Suppose to be Sunny...keep your fingers crossed and meet at 10 a.m.
2. There is a sign up sheet for the catered dinner meeting on Sunday, March 4. 4 p.m. in Arts and Crafts room on the Tennis bulletin board. \$5.00 @. Reservations and money to be paid to me, Pam, by Sunday Feb 25.
3. When the weather gets better, players are needed for 7 a.m. rotation. Come out and join the fun.
4. Thank you for your generosity for the new benches. You all have shown a wonderful tribute to Dan's memory. Dan's younger brother will be here this weekend and I'm proud to show him what our Tip Friends have done. God Bless you all.

We had some sunny, nice weather for a few days and it made everyone feel so much better. Of course those Northerners had to leave the door open and subject us to these cold, dreary days. Remember how much worse it could be. Just check the news reports.

Congratulations to our new Valentine Queen, Jane Albretch and King, Bill Pew.

Keep warm today and hopefully see you on the courts Saturday. Pam

Lavon opened the meeting with the pledge to the flag.

Connie gave the hospital report:

Keith Ackerman is in Renaissance Hospital recovering from triple bypass surgery. Juanita Dempsey has been moved to rehab at Renaissance.

Oscar Dempsey, Gene Christian, and Dorothy Hauple are all recovering at home.

Pastor Bill led us in a prayer of thanks for our many blessings.

Bonnie Christian reported that Gene is at home following lung surgery, and is recovering well. She read a card from the Al Barnes family thanking everyone for their help and concern when Al passed away.

Bonnie said the new rate schedule is at the printer, and reservations for next season can now be made. She reminded us all to please wear our badges.

Lavon asked all those who are newcomers this season to stand. There are many new faces!

Jennice told us that this week's entertainment will be the Warnoke Family on Thursday at 7:00. Tickets for this and all the other entertainments planned for this season are available in the Activity office. There are some great acts coming here, so get your tickets.

The new P.A system has been installed. Lavon expressed thanks to all who contributed towards the cost. Special thanks go to Yves Richard and Ralph Costa and the Woodshop for their work in crafting the cabinet. PLEASE DO NOT PLACE ANYTHING ON TOP OF IT! Fred Moxon reminded us all of the hard work and dedication that Ray Ryland has given for years in operating the system. He called for volunteers to learn to work this new system, and take turns operating it for various functions. No one wants a full time job, but many can make a light load.

Eileen Wilhelm and her assistants passed out the ballots so we could vote for this year's king and queen. The winners will be announced tomorrow night at the Valentine Dinner-dance.

Dan Warneke, a first year resident, has offered to teach a seminar on Estate Planning , Wills, and Probate . If you are interested, contact him at site #532.

Mara Green will present a free program next Sunday at 3:00 P.M. in the Main Hall . She was here this morning and sang one of the songs from her program entitled "Hannah's Song". This entertainment will be free.

Some think that the drive to get Silly Sting to the troops is a scam. Vera Janis introduced Mrs. Ruth Stiller, who is the woman who wrote to the newspaper asking for Silly String. Ms. Stiller showed a picture of Dustin, a marine from the Valley who was killed in action. She described his life, his letters, and his death when his convoy was ambushed. There are many newspaper articles and accounts of how the men use this product to check for booby traps. There is also a web site where information may be obtained. It is proven that the spraying of this stuff into doorways helps identify danger to our troops. Vera is still collecting money and cans of String. Help save a life!
