Jackie Ridlon fell at home and broke her hand. Our prayers for a quick healing!

**Prayer :** Dave Ochs. A special prayer for those who served to protect and preserve our freedoms.

**\*SPECIAL NOTICE:** On June 5 the outdoor pool will be drained and re-plastered, Then the deck will be painted. Should be back in operation by June 26th.

\*With our resident numbers down so low, please look out for neighbors, especially those who are living alone.

\*If you stay here for the summer and are planning to travel, please let the office know so we will know you are gone.

### **Dave's announcements**

\*There will be ice cream Sunday (and root beer floats - good for longevity ) from 2 - 2:30 with a social hour lasting until ??????. Actually it is the conversation with friends that keeps us young!

\*Thirsty Thursday will be at Republic of the Rio Grande on S. 10th @ 4 PM.

\*Wednesday night dance will be serving hot dogs. You don't have to stay for the dance to enjoy a Dog!

Meeting was adjourned and we all enjoyed a delicious potluck dinner with hotdogs. We sure do have GOOD cooks in our park!

### **Meeting adjourned.**

I have never put the following in the minutes before, but figured I'd better take responsibility for what is written, and for any mistakes (and there have been a few!! Oops, maybe many)

Respectively submitted

Talked to Kathy Will just now. She gave me her address for condolences people might want to send. Orville was his same self up to the very end. He picked up Septus (? spelling) in the hospital and that really weakened him. He did not suffer. She said she was very fortunate to have him as her father for so many years.

### **From Pam**

Happy Belated Memorial Day! We give thanks to all Veterans who have unselfishly served for our country. In these unsettled times, we realize how much we owe you for our freedom. God Bless you all.

We are sad to learn that Orval Eikenhorst has passed. I received a couple of notes to pass on. One from Steve and Pam and the other from Pat who spoke to daughter, Kathy Will:

We are sad to report that we lost our dad Orval Eikenhorst on May 18th. He was almost 95. He was a resident of the tip from 1979 thy 2014. Son Steve and Pam Eikenhorst are current tip residents . Daughter Kathy Will and son Joel Eikenhorst are past residents

Our deepest condolences to the Eikenhorst family.

Terry Ernest did some traveling and sent this May 23:

I just got back this evening from Virginia Beach for a 10 day visit with my daughter Blandine

We had a fun good time doing all kind of things she had planned for us.

Mother's day cruise in the Norfolk harbor on the Spirit of Norfolk with a good buffet and good dancing.

Another day lunch at the " TopGolf" in Va Beach...those of you who golf will find it a very interesting place, never saw anything like it..!!!!..Google it...lol

When to an Antique planes air show..awesome.

Had a wonderful time with my lil girl but it is always good to come back home to my TIP family

Terry.

It's always nice to hear of other Tip family's trips of traveling. Let us know how your summer is going. I've enjoyed your pictures on Facebook of your graduations around the country. Remember when I don't receive any notes from you I start complaining about one thing or another. For example: It took 4 hours to spray my lawn for weeds yesterday, only to have it rain last night. I'm going to choke that weatherman who promised no rain for 3 days!!!!!!

Have a good week! Pam
