Pam's Notes

Good Evening. If you haven't already heard, we, that is the valley, had SNOW last Friday. There was sooooo much snow, my neighbor made a snow man.

Seriously, I did want to pass on a note from our former Village Chapel pastor, Bill Watts:?

Thank you so much for forwarding the MMM minutes to us each week. It makes us a little jealous that we cannot still be a part of that great group but we love hearing about who and what is happening in one of our special places. We also appreciate all the work you do for the park - keep up the good work and know that you are appreciated.

Also wanted you to know that we recently received a card from Connie Harmon who is cared for by family in Cedar Park, TX. She says: "I'm now at what is called the sleepy faze of the path I am on. I mean going to sleep sitting straight up - 2-3 naps a day, which feels lazy, but I know it's not. Still comfortable to a point. God is surely getting me ready to come home... all praise and honor is my Jesus." Have a wonderful Christmas and a Blessed New Year with our lolve, Mary Ann and Pastor Bill Watts

It's nice to know that Connie still has her positive attitude and trust the Good Lord to take care of her. Please keep Don, Joan G. and Bob Bebee' family in your prayers. Have a blessed week.Pam
