### **Pam's Notes**

Good morning from South TX...it is nice to be back among the Tip family. Of course, there's the unpacking, the cleaning, making sure all is up and running before we get to play. My philosophy is, accomplish at least one thing a day, that way it will eventually be done and you'll think you are working.

Good friend, Cathy Walden wrote:

Pam, could you let everybody know that my dad (Dean Lovendahl) is having his 90th birthday on Nov 24th. We'd love to inundate him with birthday cards and good wishes. He's still going strong and takes care of my mom (Betty) who has Alzheimers. Their address is 2302 Chapel Hill Road, Bartlesville OK 74006. We still talk about the Tip and all their old friends. They loved there time down there! Thanks!

Dean was an avid tennis player. He and Betty spent many years here at the Tip. Happy Birthday, Dean!!!

Speaking of past tennis players, we lost another good friend, Ray Stultz. Our condolences to Lois, his wife, and Ray's family for his passing Oct. 23 in Wisconsin.

Vera Janis received this nice note we want to pass on:

Hello everyone,

We are new to the Tip and have really enjoyed the emails with news. We feel as though we know everyone. Illinois has been beautiful this year and the color is exceptional right now.

We wish all safe travels and we will be hosting the German Christmas at our home again this year, thus will not be down there until New Years.

hugs to all

Sherry & Barry French

Lot 949 Winter Trail

We all enjoyed the French's last year and looking forward for the arrival in Jan.

John O'Brien has also updated our website TOTFYI.com with the posting of the November "Our Town" and the Nov. Activity Schedule. Thank you John.

The tennis courts are calling. Think I'll step over the suitcases and be on my way. Wishing all safe travels and a great week. Pam
