Pastor Lightner led us in prayer.

AI Septrion reported 592 residents on 357 sites.

Jeannice:

The Inspector from the Pharr Health Department was here last week because of a concern which was filed by someone in the park. They have to follow up on all concerns and again, we were getting ready for a meal. We were very pleased to get an even better score. Our score went up from 92 to 98. Hopefully, we will be in complete compliance by taking the two hour course for anyone preparing or serving the food by the start of next season. You can go online to take the test and I'm told that it is not difficult. The cost is \$10.00 which will be reimbursed to you by the Activity Office.

Today is election day for new members on the Activity Board. This year we are replacing 4 members who are retiring. Park residents wishing to run for the Advisory Board must have been a resident of Tip o' Texas for the two previous winter seasons of December through March and cannot be employed by the Wilder Corporation. One person's name had to be removed from the list because the person works for the Wilder Corporation. The candidates, Kathy Radtke, Carolyn Williams, Linda York, Edith Diaz, Linda Gillick and Gracanne Powell each introduced themselves while the ballots were passed out.

Molly B tickets are being sold in the office.

If anyone has tickets for the free dinner/bingo night and can't come out for some reason, please bring the tickets to the Activity Office because we have a waiting list.

If you are interested in chairing an event in the 2019-2020 season, please come by the activity office and fill out the "ACTIVITY SCHEDULE FORM". Please do this as soon as possible.

Thirsty Thursday will be at Don Pepe's on N. McColl.
