AND NOW, FOR THE REST OF THE STORY...

Jeanine Sather (507-430-0386) has requested that everyone bring their wedding gowns, suits, dresses, to model at the Sewing Room's February Fashion Show.

Another note: Pam Brown is so good at letting everyone know when she receives news of everyone's arrivals at their home destinations and the current weather situation there. Thank you Pam for putting that report together for us.

In the absence of DeLores Simpson's weekly hospital/praise report (thank you DeLores for all your hard work all season), I would like to hear from you with any updates on health, illnesses and praise reports so that I can include them in the Morning Meeting Minutes over the summer. Thanks for your help.

Pam's Notes

Good morning...This was found on Winter Trail when moving out a trailer this past week. They said it was a rat snake...I'm thinking I'd rather take the rat. For those naturalist, it was taken by animal control....I personally would have controlled it in a much different way. Of course they haven't made a garden hoe long enough for me to hack that snake.

Very sad news to report that "Meia" Fa'avevela Uili Sitagata and Phyllis Olstad both passed away. Meia was exercising and collapsed and Phyllis had a ruptured intestine. So very sorry for both families.

Steve Powell was able to travel back to his home in Forsythe, MO on Sunday. They drove thru the night and arrived home around 8:30 Monday morning. Are prayers are with all three of these families.

Several Tipsters have traveled safely to their northern homes:

Gary Dreibelbis wrote: Janet and I had a good trip back to Canada. The weather was great and the drive thru Tenn. was beautiful. "Redbuds" in blossom.

John DeVaney noted: Had a good trip home. We had a fun winter at the TIP .I enjoyed taking photos of all the things going on. Just a reminder tell all to check our web site for photos (totfyi) & go to photo albums. With the help of John O'Brien all the photos were posted. Thanks John DeVaney

The Porters wrote: Thanks for the minutes Pam. Clyde and I arrived home safe and sound last night about 7:00. We are grateful for an uneventful trip and look forward to getting back. We have a lot of family events so we'll be in the North for a few months. But TOT is our permanent residence. Safe travels for others who still have the trip ahead of them. Happy Easter to all. I'm grateful that He is risen!

Betty wrote: we got home Sat. Afternoon Apr. 6. Our 2 aughters & 2 granddaughters had the house ready and unloaded us & helped put things away. Thank God for safe travels. We have been to 3 Dr. & income tax appt. today. 40 to 70 degrees. See u in the fall. Betty & Dick Fiser

Through Face Book I've learned that Charlie and Sandra Sisk arrived home safely. Please forgive me if I have missed anyone. Thanks to all who keeps us informed .I will close by praying for the reconstruction of the famed Notre Dame Cathedral. Happy Easter to all.
