Pam's Notes

Good Wednesday Morning from Central Illinois:

After a longer trip home than usual, I have returned to cold/rainy weather. (Here I am complaining again.) I have worn my winter coat more in the last week than I did during the past winter....and those at the Tip know how cold it was this past season. The only way I know it is Spring is the tall grass and weeds. Anyway.....

Mary Olson wrote (thanks Mary) that she had heard from past resident, Glenn Elliott. Glenn is doing well and still receiving messages on his old email address. So those of you who knew Glenn and Bev.....he is doing well.

Marge dropped me a line stating they made it home:

We got home last Tuesday. We had a good trip home. We stopped in Norfolk, NE to see a longtime friend....one of our Wednesday night hamburger group for over 25 years. She is in a nursing home there. Wonderful to see her and so glad we took that route home instead of the one we usually take. We were amazed at the devastating flood damage in that area! We can be thankful for where we live in Minnesota. I just wish our neighbors could have warmed it up a bit before we got here! It's been colder than usual! I'm anxious to get out there and plant my flowers and enjoy the beautiful Minnesota Lakes Area summer!

We'll be back at the Tip on November 1.

Len and Marge Johnson

FYI my neighbor, Lois Doubet, made it back to chilly Illinois last week also. Lois.....we came home tooooooo soon. Please check out TOTFYI.com for Steve Powell's and other obits. Thank John O'Brien for your updates. Have a good week.....
