

**Monday Morning Meeting Minutes  
May 27, 2019**

Pledge Allegiance to the flag

Bethel Muetzel passed away on May 8.

Joyce Sauter's sister, Sherrie Brink, underwent successful surgery and is doing well.

An email from Gracanne Powell was read: "Good morning ALL! I want to thank everyone for the nice cards and loving notes you all wrote. What a nice surprise for the friends attending the visitation. Thanks to Joan Cuda for the healing book. We all have many friends and when you have a loved one pass, the reward of your kindness comes in bundles and never stops. Steve loved the Tip and will be remembered for his love. So beware you will feel his love, I do every day. See ya in the winter. Gracanne"

Eighteen residents from the Tip attended the luncheon after the service.

Phyll Thackery led us in prayer.

Thirsty Thursday will be at Don Pepe's on N. McColl.

Dance with Steven May on Wednesday at 7:00. Hot dogs and chips from 5-7.

Tai Chi will be at 8:30 on Tuesday and Thursday only.

MAHJONGG will be played on Tuesdays at 1:00.

Horsecollar players: Please come to the Main Hall at 5:30 on May 31 for snacks.

Horsecollar on Friday - Be there at 6:40 to start play at 7:00.

Chair volleyball on Saturday at 3:00.

Marilyn Bullington gave a brief presentation for Memorial Day. Tom Bullington and JoCarol White demonstrated the 13 folds of the flag. If you're ever in a national cemetery and see coins on the graves, they represent:

Penny - You visited the grave

Nickel - You went through basic training with this service member

Dime - You served in the same unit as this service member

Quarter - You were there when this service member passed

The money is collected after every major service event (i.e., Memorial Day, Veterans' Day, 4th of July) and goes to the upkeep of the cemetery.

We had 9 veterans stand up during the presentation. The two oldest were Roy West, 88, and Eldon McNaught, 88. They both received a flag. We love our veterans.

Many thanks to Terry Dickey who cooked LOTS of ribs and Sherry who helped him. Marilyn asked for donations to help pay for the meat. Terry said the money would be given to Toys for Tots at Christmas time.

#####

Pam's Notes

Good Tuesday morning:

My first thought is of the storm torn area of OK, MO, and those states affected by the tornadoes. Our prayers need to be with those within that area. And, then there is the flood waters. I am humbled and apologize for complaining of the cool weather and the "showers" we've had in IL.

I am sorry to report that Richard Yotter lost his battle and has passed. Our condolences goes out to Marlys and her family. For those of you who would like to contact Marlys, her address is 14307 S Harris Road, Greenwood, MO 64034.

I haven't heard any other news, so will close wishing you a good, safe week. Pam
