

**Monday Morning Meeting Minutes
June 3, 2019**

Pledge Allegiance to the flag

Richard Yotter passed away on 5/26.

Kathy Hall is doing well living with her son.

Lavon led us in prayer.

AI - Emergency plans and information were handed out to all residents since Hurricane season began on June 1. The office has a NOAA radio for up to date information on storms.

Work on the roads should be started soon (Sharm Boulevard, Plains, Mountain). Palm trees around pool were cut on Saturday. Remaining trees will be completed sometime in July.

There is a possibility that we will be getting an electronic gate next season so some underground work may begin this year to accommodate that.

There is a BIG problem with unwelcome, uninvited guests in the pools, laundromat and ice machines. Babies with diapers are being allowed in both pools. Please, if you see anyone you do not recognize, ask who they are visiting and if the person is with them at the pool.

Thirsty Thursday will be at Mama Mia's on First Street.

Many thanks to Marilyn Bullington for the great Memorial Day celebration. Great job Marilyn (and helpers)!

There were four gift cards left from last season so we drew tickets to see who would win them. Winners were Carol Fredericks, Irene, Jackie Ridlon and Bruce Beem.

Joyce Sauter brought in some 15% off coupons to "In Style", a new shop that provides pedicures, manicures, haircuts, etc. Please help yourself. They are in the Main Hall near the coffee pot.

Dance with Steven May on Wednesday at 7:00. Hot dogs and chips from 5-7.

Tai Chi will be at 8:30 on Tuesday and Thursday only.

MAHJONGG will be played on Tuesdays at 1:00.

Horsecollar on Friday - Be there at 6:40 to start play at 7:00.

Chair volleyball on Saturday at 3:00

#####

Pam's Notes

Good Morning.....late this week. Sorry to say, I've been busy and almost forgot you. I finally got around to check my email and found the minutes.

I received a nice note from the Watts. Bill was our former church pastor. We really appreciate you sending us updates about the Tip and the activities. This one was especially appreciated because of the wonderful memorial service. We are so thankful for all those who keep things going and who really care. Blessings and love to all, Mary Ann and Bill Watts

I had a nice text from Gracanne Powell. She has gone back to work at Silver Dollar City and is doing well. We wish her peace and comfort after Steve's passing and praying for continuing healing of the heart.

I haven't heard from anyone else, so will close. Hoping all have a good week. Pam
