Pam's Notes

Good Morning, Faye Pense called to say that her beloved Wally passed away early last week. He was doing so well this summer after such a long recovery from his foot injury. It was determined that it was his heart. Wally will be sadly missed by all who knew him. Faye's address: 7802 Timmerman Dr., East Dubuque, IL 61025. Again, our deepest condolences.

I learned, too, that Clarence Weber has a different address than the one I posted last week. His current address is: 1402 Carriage Bridge Trail, Ballwin, MO. 63021 His telephone remained the same.

I have no further updates on John O'brien. Hoping all is going well.

Without any more news.....Have a good week. Keep cool!! Pam
