Monday Morning Meeting Minutes
August 5, 2019

Pledge Allegiance to the flag

Henry Scheibel again asked for prayers for Donna and wants to thank everyone for all the love, prayers, cards and phone calls they have received.

Al Stempl is in the hospital due to swollen feet.

Dick Harris had pneumonia but is now out of the hospital.

Virgie Torok passed away on 7/23/29. Virgie was a Winter Texan who lived on Winter Trail and was from Michigan.

Nancy Rickert is having surgery tomorrow on her vocal chords. Her daughter Donna is visiting her for the next two weeks.

Diana Krahns (from Canada, residents of the park and attended church services here even after they moved to another park) brother passed away recently. Diana's husband's name is George.

Their address is Box 791, Grand Prairie, Alberta, Canada P8V3R5

Joyce Sauter led us in prayer.

AI - 180 residents on 127 sites. Main Hall is finished except for a few touchups. It will be open before the dance on Wednesday. Pool areas may have to be repainted due to the new drainage strips being installed. Al Barnes floor (half of it) will be done when Bridge is over. Hobby Shop will be next.

Monday Morning Meeting will be held in the Main Hall starting. August 12.

Thirsty Thursday will be at Applebee's on Trenton.

Peter Piper Pizza will be the 2nd Tuesday of August (8/13).

Horsecollar on Friday - Be there at 6:40 to start play at 7:00. Marilyn showed us the t-shirt the winning male will receive at the end of the season. Marilyn and Tom designed the shirt and it is AWESOME. The winning female will also receive the t-shirt. Top 28 players will receive a gift as well.

Chair volleyball will continue this Saturday (8/10).

I want say that I was negligent and left the refrigerator unlocked in the AL Barnes hall on Friday and when I returned on Monday some one had taken the few dollars from the fridge. I think they got the grand sum of \$6. If any one is that hard up in the park that they need to steal \$6, from the activity fund, they should let us know they are that destitute and we can take up a collection to help them out. Dave

#####

Pam's Notes
Good August Morning:

I heard from Jan Harris about Dick's problems:

Dick had a heart cath on 7/30 because of a block artery dr couldn't get a stent in because vein was too small so he was discharged, he had a cough before the surgery but didn't have a fever, by 7:00pm cough got worse and he had trouble breathing so took him back to the hospital he ended up with pneumonia and in serious condition they finally slowed the coughing down and oxygen level up with a bypass machine he is doing better now kidney function is still being monitored tho maybe will get discharged tomorrow but will see what the chest X-ray shows first.

Then Jan also wrote:

He is home and doing better but still has a lot of recovery to do will have to contact his cardiologist in Cleveland Clinic about his heart problems and yes please share it with our TOT friends

They need our prayers. Also you'll read in the minutes that Donna Scheibel and Henry need to be on our prayer list along with the others listed.

No other news at this time. Have a good week. Pam
