Pam's Notes

Good Evening....it's been a whirl wind of a week. Before I forget, I will be out of country for the next couple of weeks fulfilling a bucket list item. Traveling friend, Gwen and I are off to the Amazon and then on to Machu Picchu. MMMMeetings will be put on hold until I get back.

Ben Toews had a visit from Terry and Sherry Dickie and sent this note:

We had our good friends here for 3 days from The tip, so good to visit and show them around a bit. Had a great time with them and John and Liz Sluis
