Pam's Notes

Good Monday Morning:

I'm glad to say it's still Summer in Central Illinois. We're having 80 plus temps with even some record highs for this time of the year. I am sorry for many of the schools in the area. They are not equipped with air conditioning. But, personally, I am enjoying it.

We lost another long time resident this week. Joan Hayden notified Joanne Buege on Thursday night saying she found Jim laying in the yard that morning. Joan said it was his heart. Our prayers go out to Joan and her family. Thanks for the update and the Tip Grape Vine for the info.

I had a nice note from "Birthday Girl" Jo: Happy Belated.

Thanks for keeping me on the list, I enjoy reading the tip news, just celebrated my 90th birthday, kids gave me a party, didn't know I had so many friends, sure am blessed, hope to get down to the tip for just a quick visit Jo Greiner

Tis the time, Start Packing....Hope to see you at the Tip soon. Pam

Thanks, Barb Horne for the taking the minutes and passing them on!!
