Pledge Allegiance to the flag

Welcome back to Karyl and Tim David, Bonnie and Dick Lynch, Tommy and Shirley Hightower.

Dick Harris is recovering from surgery and doing well.

Doris Fox was taken to the hospital with vertigo but is back at home.

Owen Fonkin had a stroke on 9/25 went home on 9/26 and had another stroke on 9/29. Please keep him and Wanda in your prayers.

Jackie Ridlon spoke with Joan Cuda. She will be undergoing 17 treatments (chemo, wait 3 weeks, radiation, wait 3 weeks, etc.) Joan said she is doing OK but has no idea if she will be in the park this season.

When the ambulance came to pick up Doris Fox, her vial of life was given to the EMT's and they had no idea what it was. We need to get the word out to the ambulance services in the area. We could also use a small (not so wide) wheelchair to enable EMT's to move patients out of the small areas in park models and trailers.

Paul Barcenas led us in prayer.

Pam's Notes

Good Sunny Morning STILL from Central Illinois:

This week I heard from a couple of Tipsters that I want to pass on:

90 degrees here in central Nebraska but by weds we'll be looking at 55 and drizzle. Be lucky to see 70 again. Went with our son to Cleveland last week as he had dr appt at Cleveland clinic. Huge place. After his appt put him on a plane to fly home and we drove up to Niagara Falls 3 hour drive from Cleveland got soaking wet on the boat ride. Truly one of the most spectacular sights we have visited. On way back thru Cleveland stopped at the rock and roll hall of fame. Looking forward to returning to tip and seeing friends and the pool. Also need don to fix my two seiko watches. Stay safe Steve and Pam Eikenhorst

So Don, your services are already in need. Thanks Steve for the info.

Speaking of music and the Hall of Fame, Eilene Wilhem wrote:

I visit Willies Road House for favorite country music often. I heard "RoseAnna Yellow Bandana" and thought of your mom. My mother's name was Rose Ann. If you have not heard it its pretty special

also our friends from Saginaw Michigan will be dancing down the streets to the tune of this one. I am sure they will be asked to perform at the MMM

Our lives have changed but we are coping with the cards that have been dealt to us. Some days are better then others. His balance and strength is very weak. Think of the Tip often. We try to keep ourselves busy as we can. We play a lot of Euchre and I played Bocce the last couple of years.

Those Italians keep me on my toes. I have learned a few swear words in Italian Lol God Bless Marty and Eilene
