Pam's Notes

Good morning from the Tip....

Left IL during single digit temps and today it's predicted High 80's here in the valley. Feels so good!!

I did receive sad news about my neighbor on Desert. Marge Johnson wrote:

I just got an email from my cousin in Perham, MN. They live next to Loren Olstad (TOT Lot 946) at the lake. They asked me to tell you that Loren passed away on November 12. As you know, his wife, Phyllis passed away last April. They asked that I let their friends in TOT know.

Loren's son, Dan had said Loren was packed and ready to travel to the Tip and had fallen striking his head. They kept him in an induced coma and he never recovered.

Loren's obituary can be found [mstartribune.com](http://mstartribune.com) Prayers for Dan and the family.

If you're on your way south, safe travels. Enjoy your week, I know I will.....
