Subject: Monday Morning meeting

Good morning and welcome everyone We have 371 guest's on 242 sites

Tuesday's lunch will be a hot pork sandwich with mashed potatoes and desert for \$5.00 please remember to sign up to eat.

We are winding down the season the office will be closing for the weekend coverage with Apr 3 being the last weekend day open. We will then be open only Monday thru Friday 9-4 for office open hours.

Reminds

Don't forget to do your mail forwarding by going online at USPS.com. Allow yourself a few days to pick up last minute mail.

Secure your units the best you can, by picking up all items and locking them or securing them so they don't blow away.

Remember to lock your units and your vehicles. It seems this time of year we have unwelcome people who snoop around and take things not belonging to them and lock your stuff up.

Hopefully we can get back to somewhat normalcy this coming fall. In the meantime we need to still practice social distancing, watch the number of people in our activities group around 10 people with masks unless you are doing water aerobics .

Reminder of no more movies until the upcoming fall season if possible.

I don't think we will be doing any dancing until fall not sure but that was the word given to our sister park.

Have a good summer and safe travels. We look forward to seeing everyone this fall..

Pam's Notes

Henry Scheibel was able to return home after an extended stay in the rehab center. Glad to see you doing so well. Keep up the good work.

Several are leaving and returning to their homes for Easter and hopefully Spring up North. To those, travel safely gives us a heads up when you reach your destination.

Our week started out gloomy with just a few scattered showers. We are very dry here and need the rain, but a little sunshine always makes a person feel better.

I know they held a MMMeeting, but all I received were the notes from AI and the Activities of the week. So no other news this week. Stay safe and Have a Happy Easter. God Bless each of you.
