

MONDAY MORNING MINUTES

April 5, 2021

We pledged Allegiance to US Flag at 9:00am led by Barry Wallage, TipOTexas activities director. 15 residents attended meeting.

DeLores Simpson gave wellness report. Ambulance was called for Tom Bullington with major blood pressure problems causing a fall in the bathroom. It was surmised that the BP problem was from a reaction to the 2nd COVID vaccine. Tom was NOT taken to the hospital.

Bob Boege IS still in hospital with major BP problems. Also, insurance problems. Wife JoAnne Buege is suffering from kidney stones and is in pain. Daughter Kris, with her medical background, is helping in dealing with both problems.

DeLores also led us in prayer for this morning.

Park manager Al Septrion reported for this week 343 residents on 225 sites.

Reminder to all residents leaving to forward mail at least 10 days prior. Also secure all outside items upon departure.

Several residents have complained of knocking on doors @ 11pm. Call Pharr police if it happens to you.

Reminder of park rules: No more than 10 people in a group and wear masks at all times.

Sharon Havener asked question about Dog Park. Apparently it will be built this summer inside the TOT.

No more plastic bags will be needed for the food pantry.

DeLores Simpson will take blood pressure at back table after the meeting.

Barry and Fay are done for the season as activity directors. Next week's MMM will be overseen by volunteer Joyce Sauter, April 12, 2021 at 9am.

Meeting adjourned at 9:12am.

Nanci Rickert

Tip of Texas Manager

Good morning and welcome everyone We have 343 Guests on 225 sites

I hope everyone had a good easter, and found all the chocolate bunnies you had hid

Only a couple reminders

Regarding mail, be sure to do your mail forwarding at least a couple weeks in advance with the post office and let us know here when you want your box closed this allows you to pick up any last minute mail coming to you.

Again please be sure to secure your units and items the best you can stow everything possible inside to minimize the amount of items to blow around in case of a hurricane or other storm.

We need to still practice social distancing so be aware of your surroundings number of people in any grouping no more than 10 and continue masking up.

All I have have a great week if you are traveling be safe and we look forward to seeing you all in the fall, hoping for a more action packed upcoming fall season so be ready

Al

Village chapel

These are some of the positions that need to filled for the Village Chapel Services next season.

1. Kitchen person or couple to make coffee for after church social hour.
- 2 Sound person to operate the P.A. system. Chuck Strandberg ph. 612-710-0894 at lot 314 can teach the procedure.
3. Person to present Pre-assembled Powerpoint order of services, Marilyn Strandberg will review the method

Pam's Notes

Good morning: Day late, but the TX Crude has a hold on me. Thinking the allergies have gotten out of hand. I'm doing lot's of coughing and heavy breathing. Dr. gave me heavy antibiotic, so hoping that takes care of it. It's hard to get old.

Anyway I heard from Mary Olson:

we received this notice today, concerning The passing of Marcella (Roger) Carr on Jan. 18, 2021..They were Wintertexan's on Lake street , T.O.T. for many Years.

**I have posted her obit on the board. I believe she was from Guthrie City, Iowa
On a better note, The O'Brien's wrote:**

Wishing you a Happy Easter!! Hope you have a good day and that your family can be together. We are going to our daughter Margaret's for Easter. Looking forward to it. Having a great day and not have to cook or bake. Can't beat that. Ha!

Hope all are doing well. Both John and I are doing good. I go to therapy twice a week for my back and John goes to rehab three times a week for the exercise.

Hope all goes well and we can go to the park in the fall. Certainly looking forward to it. For now, we hope you all have a good spring and summer.stay safe and well.

Love to All!!
John & Darlene

We need to thank Nanci Rickert for taking minutes at the Monday Meeting. We appreciate it.

I have my second Keytruda treatment here in McAllen tomorrow. Again, Thank each of you for your prayers...The Lord is Good and I see how he has presence in my life everyday. God Bless each of you keeping me in your thoughts and cares. Wishing you a great week. Pam
