

MONDAY MORNING MINUTES

Meeting began at 9am and was led by volunteer Marilyn Bullington, starting with pledge to the US flag. 23 residents were in attendance.

Delores Simpson gave wellness report: Jerry Gleason, former tip resident, died Friday in Albert Lea, MN. Joy Ochs had implant surgery for her ears. They will be turned on tomorrow. Bob Buege was transferred from Rio Grande Regional Hosp. to Edinburg Hosp for in-house rehab. Tom Bullington is now better after last week's fall and EMT call, a reaction from the 2nd covid vaccine.

Delores then led us in prayer.

TOT Manager Al Septnion gave a report of 318 residents on 213 sites. Also, if you are leaving, forward your mail by letting the office know so they can block your box in the TOT postal room. The recent water leak on the northwest corner is repaired. Reports of problems with the gate exiting the park on foot or bicycle: new: on newly added kiosk, use the code #1111 to use exit gate.

Marilyn B. asked manager if there would be a water faucet added for the dogs in the planned dog park. Manager Al said yes. Exit Al.

Marilyn B. would like to have parade for memorial day, May 31st. She and Linda Linden will plan it and get back to us. Marilyn would also like to have something for July 4th. Plans will be finalized later.

Thanks was given by Marilyn [B. to](#) Janice Norembock for fresh Spring décor in the building. Janice gave thanks to Sharon Havener for her help in decorating.

Return of Thirsty Thursday Peter Piper Pizza outings were brought up and heartily supported, since restaurants are open again. Marilyn will handle sign up sheets for Peter Piper and will contact Thom Mc Cann for handling Thirsty Thursday.

Meeting adjourned at 9:20am

BLOOD PRESSURES WERE TAKEN TODAY AFTER MEETING BY KRIS BUEGE.

Pam's Notes

Good Tuesday, no Wednesday, no Thursday!

Sorry, I'm still feeling fine....just neglectful to my fellow Tipsteres with my lateness for the minutes.

I received a note from Mary Ann Watts that she wanted to share.

Mary Ann, this is Catherine's daughter, Sandra. I just found your message in Mom's email and I wanted to let you know that Mom died on January 9th, after a short time in the hospital. The doctors kept telling us that she was going to be fine and then everything failed at once and she died quite suddenly. Because the doctors were optimistic, and because of Covid, I was not able to travel from Montana to Iowa to be there in time, but my brother and his family were there, as well as my daughter. I'm attaching the link to her obituary.

After Mom died, it was necessary to move Ray into Memory Care in the same facility. I understand he is doing well. He is good physically, but is very confused and while it is very kind of you to send a card, I am quite certain he would not know

who it is from. He was able to be with Mom in the hours before she died and did seem to understand what was happening. All of their mail was forwarded to my brother's address in Iowa City, so I am quite surprised that the card was returned to you.

Please don't hesitate to contact me at my direct email, snykerk@mcn.net.

Very best wishes,
Sandra Nykerk

Also we need your prayers:

I know that many people in the park know Jack Fink. He was diagnosed with Covid , went to the hospital in Olivia, MN and transferred to Methodist Hospital in St.Louis Park. Tuesday afternoon he was placed on a ventilator. I spoke with Marilyn this evening and she sent this info.

Please share this to keep people updated on his condition.

Thank you.
Eileen Berg

Jack is the son of Pat & Elaine Kubish and prayers for Jack from Joy and I and many in the park. He sadly needs them.

Now for some great news about our wonderful news, Pat Collier:

Pat will be100 years old on April 21st. I am asking everyone to send a birthday card to this great lady. She is the last person that was a resident of the park the first year it was opened. She travels by herself from upper NY to the Tip every year. She and her husband Jim were great volunteers a few years ago and were instrumental in forming many of the activities we all enjoy today. Her address is Patricia Collier 101 E. Sioux Rd #.1017, Pharr TX 78577

Stay safe, hoping you're having nice weather to enjoy in your area.
