The July fourth celebration begins with a golf cart parade at 3pm. Then games of chair volleyball and cornhole in main hall, followed by hotdog meal. ### Al's Notes

Good morning and welcome everyone

We have 207 guests on 146 sites.

### A couple notes

First off I would like to thank Pam Brown and Edith Diaz, for the cleaning up of the entrance and in front of the main complex, thank you again it's truly appreciated and it shows. Looks awesome.

Thank you to Pete Soderberg for working with our Maintenance department, it's truly appreciated as well.

Again we are scheduled for the Outdoor pool repair, plastering coming up on the 1<sup>st</sup> of July.

Palm trees are scheduled for some time in July, they started last week at Tropic Star, we are to follow when finished there.

Hurricane season of course is here so always stay prepared with items around your unit or as you are doing the neighborhood watch if you see something that might become an issue let us or someone know so it can be taken care of.

Neighborhood watch our signs are up and we will have the signup sheet posted on the back, not quite as important as the after hours if someone is out and about to drive around, checking things to help, if you do use the pet gates remember to close and lock behind yourself. As we do things we need to close and lock behind us to help in any way we can.

The office will be closed Monday the 5<sup>th</sup> for the 4<sup>th</sup> of July so no Maintenance or Office staff.

If you are travelling, have safe travels just be safe in whatever you choose to do.

Have a great week

Al

Pam's Notes

### **Good Wednesday Morning:**

**Back from Houston and starting on an experimental trial treatment. A little scary, but one does what the doctors think is best. (Is that grammatically correct?) Anyway, 2 pills a day and checkups every 4 weeks. Sounds good, but let me know if I start acting/looking like a Lab Rat!!!**

**I do want to correct Larry Gillem's address. I had taken the old address from the Tip Photo Book. New address 417 41st Avenue South, St. Cloud, MN 56301. My apology. He is being treated for throat cancer. Our prayers go out for Larry and Sherrie.**

**Praise the Lord that Dave Ochs is recovering from his surgery at Mayo clinic. We are missing him and Joy here in the Park.**

**Virginia Van Alstine just happened to be at MD Anderson yesterday for a check up. I was sorry that I was unable to visit with her due to our conflicting doctor appointments, but Pete was able to meet with Virginia for a short chat. Virginia is doing well and living close to her daughter who helps her out if needed. She's battling leukemia. Prayers for all of us.**

**I do want to wish everyone a Happy 4th of July. Hoping you can share the day with family and friends! Have a good week. Pam**
