Pam's Notes

Good Wednesday....Sorry late again. On our way to Houston. Will have a mega radiation treatment on Friday and then on to the Tip. Will be glad to return "home" again.

I did hear from Rita Jalovy's daughter. Rita has been moved to a rehab center St. Paul Elder Services, 316 East 14th Street, Kaukauna, WI 54130 Her recovery is slow, but she is working hard to recover so she can come back to the Tip for the winter.

I know several of you are on your way south, so please travel safely and remember your masks and precautions for the covid. The last thing we want is for any of our "family" to be in the hospital. Take care.....Pam
