EDINBURG IMMERSION CENTER WAS ON HAND TO TELL US ABOUT A SERVICE THAT IS AVAILABLE TO ANYONE WHO TESTS POSITIVE FOR COVID-19 OR IS IN CONTACT WITH SOMEONE WHO IS COVID POSITIVE WITHIN 14 DAYS OF SYPTOMS. THIS IS AN ANTIBODY IV (THERAPEUTIC MONOCLONAL ANTIBODY MEDICINE IS GIVEN AT THEIR LOCATION ([5521 DOCTOR'S DR, EDINBURG](#)- 956-362-5750) YOU MUST CALL FOR AN APPOINTMENT AND GIVE YOUR NAME, BIRTHDATE & PHONE NUMBER. THEIR FLYER IS GOING TO BE POSTED ON THE HEALTH BOARD IN THE MAIN HALL.

### **NEIGHBORHOOD WATCH** Last week in September

Thank you to all who took shifts in September, there were over 60 hours of evening shifts taken. This is a dedicated group of volunteers, the Tip should be very proud of them, I know Marilyn & I are. There have been

some items that were addressed last week, and I want to say thank you to the maintenance staff for their hard work. Especially Hector who did every house that the palm leaves where on! Well done! We can't post pending issues on the bulletin board any longer, if you'd like to see it ask Lynn or Marilyn. For non-emergency Police matters call 956-402-4700. 911 for emergencies.

Security/Safety issues that are still a problem

- Speeding, it does seem to be the same people and we are letting the office know, if safe we are following them and politely asking them to slow down.
- Walkers at night without lights or light clothes, with more activities this will continue to be an issue, but it is each person's right to make that decision.
- Fire Ants at Al Barnes, I took killer over and put it on them. I hope this works.
- Ants by gazebo at outdoor pool, need ant killer there. (These are not fire ants).
- Tree limbs over houses.
- Doggie gates being left open/unlocked

Issues this last week

- Another sliding glass door was found broken. It was determined that these 2 doors have been broken by the heat and temperature changes. The police said that since we don't have proof of that we should still call about something like this. Also, the homeowners may need it for their insurance.
- A bike was stolen from the park. There was a young person in the park who may have been the culprit, but he was escorted out of the park. The police were not called.
- Motor Home door found open, let owner know, he closed it.
- Sunday the "out gate" was run into after it did damage to a car sitting in lot next to it. Police were called.

## **50/50**

VERA ASKED THE GROUP IF SHE COULD HOLD A 50/50 RAFFLE TO PAY FOR THE NEIGHBORHOOD WATCH SIGNS. THE MAJORITY OF THE ATTENDEES AGREED. (ONE INDIVIDUAL HAS PURCHASED AND PARK/ACTIVITY WON'T REIMBURSE). SHE SAID THE TICKETS WILL BE A DOLLAR STARTING NEXT WEEK.
