From Manager Al Septrion: Tip 'O Texas has 254 guests on 169 sites. The exit date should be installed today. Please do not stop incoming traffic so that they get caught up in the closing of the gate. The gates are programmed to close, if they are obstructed you are going to create damage to the motors and plastic gears. Don't hold up traffic. WHAT YOU CAN AND CANNOT PUT IN DUMPSTER, there is a sign stating this. We are having people drop off appliances or building materials at the dumpster. If we have to dispose of these items, disposal fees will be assessed back to you.

A couple notes

First off if you haven't already checked in to the office and updated your information please do so.

Exit gate should be installed today,

Speaking of gates DO NOT SET AND STOP INCOMING TRAFFIC SO THEY WILL GET CAUGHT UP IN THE CLOSING OF THE GATE, THE COMMENT WAS WE WERE JUST FOLLOWING

DIRECTIONS, WELL THEY ARE NOT WILDER DIRECTIONS SO WHOEVER IS SPREADING THIS NONSENSE NEED TO STOP IT NOW, THOSE GATES ONCE YOU REACH THE SENSOR AND A TIMER GATES ARE PROGRAMMED TO CLOSE IF THEY ARE OBSTRUCTED YOU ARE GOING TO CREATE DAMAGE TO THE MOTORS AND PLASTIC GEARS SO AGAIN DON'T STOP AND HOLD UP TRAFFIC, IF YOU FEEL YOU NEED TO CHALLENGE A CAR BEHIND YOU PULL UP LET THEM PASS THAN FOLLOW THEM PERIOD.

REMINDER, WHAT YOU CAN AND CANNOT PUT IN THE DUMPSTER, we are having people drop appliances off at the dumpster, or building materials there is a sign stating this yet we get people leaving it if we have to dispose of it we will assess a fee back to you for this .

All I have have, have a great week
AI

Just a note to add to AI's comments.

You can take large items to dispose of to I road (Veteren's Blvd) and just south of Sioux Rd there is a sign to turn right and there is a disposal place for the city of Pharr. They charge a small amount, but not very much.

Pam's Notes

Good Tuesday Evening:

Just back from Houston. Blood test and doctor's appointment only. All seems to be going as planned by the trial drug. Only side effect is the lowering of my white blood cells, meaning my immune system is very susceptible to outside viruses., etc. So, if I'm standoffish (is that even a word?) please don't be offended if I don't give hugs. Next week will be another infusion with test and scans 3 weeks after. Prayers for this drug to help stop the spread.

There was a good report for Paul Barcenas. As I understand, he did not have a heart attack or stroke. Praise the Lord.

Rita Jalovy was in an auto accident late summer in Wisconsin. She is not progressing as well as she would like. She is in a rehab center. Her address is 316 E 14th Street, Room 96, Kauana, WI 54180 if you would like to send her a card of encouragement.

More residents are returning, so pack your bags and head south if you're still up North. For those of you in the park....remember the Halloween Party at the hall on Sunday 2 - 4. Decorate your broom and come for fun and games.

Have a good week. Pam
