A couple notes to share

Happy New Year to you all, I hope everyone had a great new year,

First off the Office will change their hours effective 01/02/2022 from 9am -4pm Monday thru Friday, Tthis will allow the staff to better prepare with reports

Be safe we still have a couple cases of the Covid in the Resort, social distance use mask if you haven't been vaccinated.

Last and final Note, if you are going to be leaving for a few days please notify the office, past weekend an individual came to contact me hadn't seen their neighbor in a couple days, so upon checking I took Ed with me and first off we did not have a key for the unit which emergencies is nice if we have to go in, any way the other neighbor had concerns than finally another neighbor said the individual thought to be out of state for a couple weeks so it is important to let us know puts a lot of minds to ease. We are here for you so keep us posted.

Thank you, have a great week again Happy New Year let's hope and pray for the best year ever.
