A couple notes one if you haven't already done so and are leaving for the season don't forget the mail forwarding and notify the office that you are going so they can put a block in your box.

Next protect your property the best you can if you are leaving a unit here park model, mobile, etc. and can drop your hurricane shutters to help protect your windows and if the trees are trimmed so they don't get damaged. as well cover your patio door best you can

Bringing us the reminder that Wilder LLC, your resort or employees are not responsible for any damage, injury, or loss by accident. If you have damage, you need to file it with your insurance company.

Again, please notify the office if you are going to be gone for any period of time so we can check you out in the office as well as we can keep an eye on your unit or know that no one should be there to help ensure the safety and wellbeing of everyone here .

All I have a great week if traveling be safe and see you all in the fall.

Gwen and Chuck Stone's return trip home to Illinois was uneventful other than mild sticker shock at several gas pumps. We thank you all for another enjoyable season at the T.O.T. park and for prayers for safe travel and health issues. As always, you have the friendliest people ever! Praise God! He never leaves or forsakes us!
