A couple notes> Yes we will be getting the palm trees trimmed sometime this summer guessing probably the month of July, as I was told we do have a 3 year contract with Alamo Tree Service for the palm trees.

Working on the summer list of work to be done hopefully outdoor spa will be replastered along with the indoor pool. Will keep everyone abreast of the time frame on projects upon corporate approval.

We have a (outdoor spa) pump going out maybe down for a little while Ed is going to work on it shouldn't be to long if it does go down.

All I have next week planning on taking Sue home for the summer,

Have a great week and if traveling be safe
