

MONDAY MORNING MEETING MINUTES

June 13, 2022

We gathered together this morning to celebrate our friendship and discuss our week ahead. First we honored our country with pledge of allegiance. We are sorry to hear of Ilene Jensen a former resident of the Tip has passed away. Our sympathies go out to her family.

The Gary Brink memorial will be held 7/9 at 11:00 at United Methodist church Alexandria Minnesota

Prayers for all of our past residents struggling with their health.

- Thirsty Thursday 3:30 Olive Garden 10th street and Trenton McAllen
Peter Piper Pizza Tues 6/14 11:00 - 12
Friday 3:00 FREE movie showing in AC. Room
Moving showing posted on board in main Hall
Poker 6:00 Fri evening
Contract Rummy 6:00 Al Barnes bldg Thursday
Fri evening 7:00 horse collar shuffleboard
Samba every evening 6:00 hobby shop
Hand knee foot 10:15 AC hall Thursday
Water aerobics 9:00 outside pool daily
Bingo in main hall Monday 6/13

The above are just notes on our gathering to help our residents know what is happening in our park

Marilyn Bullington

I received word that Larry Gillam's cancer has progress to his lungs and lymph nodes and he has been told by the Dr' that he has less than a year to live. I hope you will put him on your prayer list and that the Dr's are wrong.

Dave

~~~~~

Park Manager notes

Good morning everyone

We have 238 Guests on 157 sites

Reminders, Don't forget we are in Hurricane season so secure your items and your unt

Remember to keep your things locked up vehicles, sheds etc, sad we have some items reported stolen.

A note that was brought to my attention regarding the Movies and playing Bingo, those things need to be approved , by the Activity Department or Myself, understand we are looking for things to do that are entertaining and out of the heat, just using Activities equipment and accountability of equipment.

Summer wish list a couple items have been approved, the Floor in the indoor pool and the Outdoor spa, each will be replastered and will announce ahead of time when they are planned to do, no word as of yet on Tennis Court, Flooring in the Billard Room as well as Library, hallway and lobby has been approved, one set of driers and one washing machine.

All I have, have a great week and safe travels if you'r traveling

Al

Pam's Notes

Good Morning from steamy Illinois

TX weather has followed me back North, but MidWest has the humidity to contend with. Temps of 100* predicted today. So one works (or plays) in the morning and stays in during the heat. Hoping Tip weather is letting up a little

I again received good results from last week doctor's appointment. No scans, but my blood test looked good and after my infusion, they sent me on my way. Now I'll fly back every 3 weeks.

Sorry I haven't heard from anyone. I do wish all Dads a Happy Father's Day next Sunday!!! Have a good week. Missing all of you, full timer Tipsters. Pam
