

MONDAY MORNING MEETING MINUTES

Meeting Date: June 20, 2022

I did not receive any notes from the MMM, so I am just passing along the Park Managers message. I hope all of you enjoyed a great spring, and today is the first day of summer so have a good summer. Dave

Good morning everyone

We have 229 Guests on 151

A couple Reminders, being we are in Hurricane season. Please be sure to secure your property the best you can, put it away if possible or secure locking things up.

Don't forget to notify the office if you intend to be gone for any period of time due to the hurricane season and knowing if we had to do an evacuation of guest who are here and who isn't.

We did get the ok to do the indoor pool repairs so far as well as the outdoor spa, which we may have a leak on we are going to see if we have a leak and get repaired before having it replastered, will give a time table as soon as i know the schedule of the contractor when he is going to schedule us to be able to do the work.

Palm trees possible sometime this week they will start trimming the ones around the outdoor pool.

We did get the ok for replacement of flooring for the Billard room, Library, Hallway and Lobby area, we will start to remove the carpet in all those areas starting with the billard room,

All I have. Be sure to have safe travels if you are traveling . Have a great week.

Al

Pam's Notes

We didn't receive any minutes this week but I did receive a couple of notes that I need to pass on. The first was a note from Alta:

I GOT A CALL FROM SHIRLEY KARALUS'S DAUGHTER AND SHIRLEY PASSED AWAY ON JUNE 9 PEACEFULLY. THERE WILL BE A MEMORIAL ON SAT JULY 23 AT ST PETERS CHURCH IN GILBERT AT 11. I HAVE NO ADDRESS FOR CARDS TO BE SENT BUT WILL GET ONE AND LET YOU KNOW. GEORGE AND SHIRLEY WAS LONG TIME RESIDENTS. HOPE EVERYTHING IS GOOD WITH YOU

Alta also reported:

Cheryl Lunday also called me today and Doug had a massive stroke and isn't expected to live very long,

I received more sad news from Marilyn Stranberg:

Al Russell (who filled in for Pastor Lightner at Christmas) passed away last weekend. He didn't show up to feed his wife Carol at the nursing home. They contacted someone in the park to check on him. They found him by his motorcycle. Must have had a heart attack.

Sorry to be the messenger of bad, sad news. Prayers for all the families.

Have a good week. I'll be back at MD Anderson next week, so may be late again with minutes. Sorry. Stay safe....Covid on the rise again. Pam
