

## **MONDAY MORNING MEETING MINUTES**

### **August 15, 2022**

We opened our get together this morning with the pledge of allegiance.

Prayers were offered for our close friends in Tip struggling with health issues. Vera Janis a longtime resident is struggling with her help, needs our prayers, Carol Frederick is at Colonial Manner working hard to be able to come home to Tip. Nancy Richert is in hospital being released to go to rehab to be able to join us again. Her daughter has arrived to help with this process and wants to thank Clea and Margie for their help and visits. Peggy Skinner was in Seattle hospital with several severe health issues. She is out of hospital but not out of the woods. Asks the tip for prayers. We sadly but fondly remember Doris Fox a long time resident as she was put to rest in Kansas City last week. Doris's smile will always be in our hearts.

I want to thank all the people that attended our anniversary party. It was a great honor for us to celebrate our anniversary with so many friends. I also want to thank everybody that sent so many beautiful cards. We were overwhelmed and we are looking forward to our 75th, so we can do it again. Dave and Joy

### **From The Tip Manager**

Good morning everyone,

We have 262 Guests on 173 Sites

A couple comments, to remember we are still in Hurricane season, and yes we finally have some rain, and more possible to come today so be careful, when you are out and driving. There are some flash flood areas around south Texas so be safe.

Indoor pool is up and ready for use, however we will have to paint the immediate strip around the pool but We will forewarn before we do, and it won't take that long to do.

Tennis and pickleball court is ready for use. Some have already ventured out to try it out. Al Barnes is back open after cleaning and floor finish, however the Air Conditioner is down, as someone keeps

adjusting the temperature down to 65 which with the condensation created back up of the AC leaking into the light fixtures and of course to the floor. so please leave them alone to the setting they are preset at.

Palm trees are finished through out the resort, however we may have them come and get rid of the seeds on the trees around the pool. If time permits for them.

Out door spa still has leak issues so is still down, hopefully this week get it back up on line for usage.

Hobby shop will be closed this week for cleaning and floor finishing

Main hall will be shut down next week after the dance Thursday thru Wednesday for cleaning and waxing. 8/25 thru, 8/30 opening for the dance on the 31st.

All I have. Have a great week and be safe in what ever you do.

Al

### **Pam's Notes**

#### **Good Tuesday Morning:**

**Nothing new to report except Central IL weather has been unseasonably cooler these last several days. It is usually very hot when school begins. I haven't heard any news to pass on, so will add the minutes and wish you a good week. Pam**
