Marilyn

I received a note from Matt & Mary Kitkowski.

She said that she and Matt are both wheel chair bound and neither one can stand. She wanted to greet everyone and wished they could still be at the tip during the season. Mary and Matt were fixtures here and worked hard during the winter here for many years. Mary volunteered for many activities. Cooking meals, collecting for the orphanage, collecting anything surplus for the Las Milpas poor people and much more. She and Matt are greatly missed here at the Tip.

A couple things, one we are of course still in the Hurricane season, stay alert and safe. So far we have been pretty fortunate. A little rain which was much needed.

The other is feeding wild cats or animals, we are getting a bit of a population of cats..

Some are setting garbage out on non pickup days please don't set it out before the day of pickup have it out Monday by 8am and Friday 8am as it's inviting for animals to have a possible feast and a mess you will have. thank you

About all i have, do have a great week and stay safe
