

MONDAY MORNING MEETING MINUTES

Meeting Date: May 1, 2023

Monday Morning Coffee and Conversation 5-1-23

Marilyn opened the Conversation at 9:00 a.m. with the Pledge of Allegiance.

Nancy Rickert is back in the hospital with an infection, which is worse than before. She needs our prayers.

Lori T from Canada passed away.

Al wants us to be very aware when walking of dead tree limbs that are loose in the trees and can come down any minute. Wilder has contracted a tree service and we are on the list with the other parks. We are thankful that no one was hurt in this storm. Gather debris together at your lot and give encouragement to the TOT staff who are trying to clean up. Big Al opened the roads from large trees that came down so ambulances could get through if needed. Thanks, Al.

Paul led us in prayer to thank God for our protection and for our fellowship here in the Park.

Please prioritize any things for Al to do, as there is a lot to get done and they are trying their best. We also lost the tree and fountain in the Rose Garden.

Activities will continue with the exception of Mah Jong which is canceled until further notice due to lack of players.

Pam Brown was at the meeting and gave us an update: She has been in and out of the hospital and they found an obstruction in the colon which will need to be removed. She will also undergo radiation on his spine. Please continue prayers for her. Also, Pete had a small TIA in Wisconsin and was given clot buster medicine. He is grounded until a week from Wednesday.

If you need anything, please call Marilyn.

Jan Noranbrock will find out from Al where pieces of aluminum should be taken in the park. He has hired someone to remove it.

Thirsty Thursday this week will be at London Grill. Check on the board for further information, and please sign up.

Peter Piper Pizza will be on May 9th (a week from tomorrow). Sign up sheet at back of Hall.

Pam's Notes

**Happy Belated May Day,**

I was able to return to the Tip JUST IN TIME for the major storm that hit the area on Friday Night Straight line winds, but I'm sure there was a twister in the mix. A link for pictures of the mess in the park is:

Hopefully your unit is fine....we must remember that no one is hurt. We were without power, but thankfully all is restored and most back to normal.

My situation, still waiting for an update on scheduling for some abdominal surgery. Pete is still in WI awaiting release from his heart dr. Hoping we're both on your prayer list.

With only a few of us Winter Texans still in residence, I heard from the Salewskis:

just letting you know we made it home safe Sunday evening. We spent some time in Fredericksburg with a TIP resident, Tina Anderson. Had a great time & even did a wine tasting at one of their many wineries! We also stopped in Bonner Springs, KS & had a nice visit with Russ & Sheryl Tibbetts. They are both doing well.

**So very glad the Tibbetts are well.**

**I'm off to Houston again. Have a good week. Hoping the weather in your is warm and sunny. Pam**
