I received this from Mary Mitchell:

On another note my husband Don passed away peacefully this past Saturday, September 23rd in the hospital in our town of North Bay, Ontario. All our family were around him when this happened. He had been suffering with heart failure, especially from August until now. We plan to have a celebration of life service later this fall. He loved going down to Texas and working in the woodshop.

Take care.

Regards,

Mary Mitchell

Special visitor – Luiz head of maintenance

Garbage needs to be curbside by 8am on Monday and Friday. It must be bagged and tied for it to be picked up. When garbage is put out at other times, they have to take the time to pick it up because of animals, this takes the guys away from their jobs. Luiz has put a recommendation into AI that anyone who doesn't follow the rules should be charged \$1 per pick up. The members in attendance agreed, some even said it should be \$2 or \$3. His dedication to our park was very apparent and his drive to make his workers keep the park up to expectations was very clear. A new worker started today, Zep, if you see any of them tell them how nice the park looks, thank them and maybe give them a bottle of water.

We also shared that one person on Cactus is bringing garbage into the park, unloading it at their house to be picked up, nearly every day. This info will be given to the office. We asked him to review with his staff to drive carefully in the park, please stop at stop signs, he agreed to review. He also said there is a problem with people using the dog park and not picking up after their dogs, he asked us to put it in the notes. Also, the outdoor bathrooms are complete and look great.

Traffic update; The police have put a traffic/speed tower on Sioux Rd. The assistant mayor is meeting with engineering to come up with a long-term solution. Traffic is very heavy on Sioux Road, please be careful entering or exiting the park.

Internet update: The internet people were in the park on Friday, they left some door hang tags and were marking the grass and streets for underground cables. It looks like the HOA/Amigo section is getting close which would mean that they are on to the second group (as described in last Monday's notes). Lynn recommended that the RV side of the park should call, write letters and make their voices heard. Marilyn mentioned that it wasn't fair that they would do Amigo and not the rest of the park. Lynn said that as they had explained that was their plan, if change is going to be made it will because of the power of your voices.

Next Monday is the official start of "The season". The group thanked Marilyn for her Monday conversation we really appreciated her dedication. Marilyn thanked Margie for covering while she was gone.

Note from the Woodshop:

Hello Fellow Tipsters,

Again, this year the TOT Wood Shop is planning to put together a gift basket or two for auctioning at the spaghetti Feast in February.

So, if you could help by bringing something unique to your city, state, or area in general it would be much appreciated! All donations are welcome. Thanks in advance, Bob & Jenny Faasen
