Everyone who attended Peter Piper on Tuesday of last week received a free lunch for the next time they go! Thanks to Willie the manager who is awesome!

Regina Haynie is working on ads for the Our Town. She has gotten feedback that previous advertisers don't think the ads work. So, she is going to create a small card that we can leave with our tip or give to someone when we use their services so they know we saw the AD in the Our Town. She is also going to create a flyer for any of us to give to businesses and restaurants asking them to advertise with us. She'll let us know where to pick them up. We had a good discussion about social media advertising and the need for it. Regina is going to take the lead but others who have experience for or a passion for it should join her and help make the TIP a strong option for advertising.

Church will be starting in November.

Please stop into the office and pick up your new copy of the park rules and sticker for your car! They are ready and waiting.
