Hello All: Boy is this summer passing by quickly. Here it is the end of June. Won't be long until the September Tip O Texas Tennis Camp in Moline, IL. Put that on your calendars. You don't have to play tennis, just come and enjoy everyone's company.

I've received a couple of notes that I'd like to pass on. First if from Ed and Joan Cuda:
Ed and I are keeping very busy this summer. I am working about 3 days a week. We have made contact with some tennis groups. I am playing on 1 league and being a sub. for 2 other leagues. Ed has been playing on a group that meets a couple of times a week. We are doing drill lessons for 8 weeks on Thurs. evenings. I still have so much to learn. I see the 5&6 year olds out taking lessons. Wish I had started lessons at that age.

Have not traveled much this summer. We had 2 trips to Kansas City for our grandson's baseball tournaments. We took a one day trip to Iowa to see Larry and JoAnn Booth and Charlie and Sandy Sisk. Had a great day and a great fish fry.

Joan Cuda

And a very nice note from Barb Horne:
It has been wonderful and overwhelming to hear from everyone and I really do appreciate it from the bottom of my heart.

Mama's Memorial service will be on July 15 at 2:00 at the Graham Funeral Home on Kempsville Road (Virginia Beach). If you can join us, please do. There will be refreshments afterwards at Mama's friend G.W.'s house at 4945 Jeanne Street in Virginia Beach. We would love to see you there.

Again, thanks so much for everything.

Hugs,
Barbara

Wishing everyone a great week. Keep safe. Pam

MONDAY MORNING MEETING

June 19, 2006

Notes

Lavon Walters called the meeting to order at 10:00 a.m. with the Pledge of Allegiance.

Ray Pepe said Ethel Communale had her third chemo treatment, George Mead and Dave Sturgeon are also having chemo treatments, Ron Penwell is having surgery and Dale Virden has pneumonia and low blood count. Ray offered up a prayer for all of the sick and for the residents and staff thanking God for all the good things we have.

Donuts were furnished by Maxine and Harold Brooks.

Lavon asked about planning an activity for the Fourth of July. His announcement that he would furnish fried chicken was well received.

A representative from the Pharr Emergency Department will be at next week's Monday Morning Meeting to talk about preparing for the hurricane season.

Dave Ochs said fans had been left on in the Wood Shop. He reminded residents that they can pick up the key from the office if they want to use the Wood Shop facilities. But if they do, please remember to turn off the lights, fans and shop vacuum before leaving the building.

Bottom Line is still playing for Wednesday night dances.

Last Thursday over 50 park residents went to dinner at Hooters even though only five people had raised their hands at

the Monday Morning Meeting to show that they would be going. This week the Thursday dinner will be at Applebee's.

The new building is on it's way. The ground has been leveled, the forms are in and concrete should be poured within the next few days.

The aqua duct boat trip has been cancelled due to lack of interest. Ray Pepe will consider rescheduling it in August if at least 20 people want to make the trip. Ray reminded those attending the ball game on the 24th that they will be leaving about 6:15 p.m.

Robert Wyant announced his daughter and family were visiting and outline their athletic prowess. His daughter will be available in the Arts and Crafts Room after the meeting to discuss nutrition.

Peggy Amos asked that a sign-up sheet be posted for those wanting to furnish donuts. She said the donuts are very much appreciated by all.

Bonnie Christian talked about the Theater in the Round which will be producing the play "Barefoot in the Park" this weekend. Cost is \$7.00 and she will make reservations for those who sign up to attend.

Movies will be available after the meeting.

Bea Ransdell announced that after 25 years, she will be leaving the Park. She will be moved out by August 1. Her home has been purchased by Jeannice and Lavon Walters.

Lavon led the group in singing God Bless America. The meeting ended at 10:17 a.m.

Sad news:

George Mead passed away at 5 p.m. on Monday afternoon.
