Burr: Still cold in Illinois. Even though the leaves are changing colors and the trees are pretty, it still feels like winter. Definitely time to head south. Sure hope all goes well and we can take off next week. I've heard that the Tip is filling up, and it'll be good to see everyone again.

Didn't hear from anyone this past week. Everyone must be very busy packing. So without further ado, the MMMeeting. Thank you Kathie Hall.

MONDAY OCT 23,2006

Lavon called the meeting to order with the pledge to our Flag.

Ray Pepe gave the hospital report:

Jerry Gleason has had surgery : he is undergoing chemotherapy and probable will not come down this season.

Len Phillips has had broken ribs and surgery; he is recovering at home. A trip down to the TIP is still on hold.

Jim Hall is out of re-hab. and is at home in Illinois

Sadly, Adele Mortenson passed away.

Ray led a prayer of thanksgiving for this day, for blessings on friends and families, for our leaders, our country, and for the safe return of all our troops.

Richard Haupt told us that on Oct 2nd he had an attack and his heart stopped. He was brought back to life by CPR administered by his wife. Thank Heaven she had taken the course given by Al Barnes!

Silvio from Cici's Pizza on Trenton road in McAllen came to tell us about the restaurant. He brought cinnamon rolls for our coffee hour, and some tee shirts and coupons.

Many more residents have returned this week. The Hall is getting filled
