Hi Ya'll: Now that I'm back in Texas, that's an official greeting. I don't mean to rub it to those who are still up North enjoying the cold and some even snow, but sleeping in 70 degree weather with your windows open, playing tennis when it's still cool, and then laying at the pool at 84 isn't too bad of a way to enjoy oneself. Being back with my winter family is just what I needed.

For all you tennis players, tennis teams will start regular schedule next Monday, Nov. 13. Please check with your captain concerning your time. If you are not on a team and would like to, please contact me at new home site, Desert 929 or call 781-4929. If you know of anyone who is playing and does not receive this e-mail...please pass my name on to them. Also there should be updates and events posted on the bulletin board.

I have heard from a few and would like to pass their e-mails on. J.C. and Delores Russell had written: Hi Pam, Lucky you to get out of this rainy cold weather. I can hardly wait to head south. Do you have someone to travel with? Its a long way down there [of course its worth it] We will keep you in our prayers and have a safe trip. If you have time I would sure like to have the mmm until Dec. Of course I know you will be busy but just in case you have a spare minute.

I'm also looking forward stopping and seeing some of my greyhounds on the way down and taking there pictures. Have to stop at 3 different places.

Again take care and JC is sure looking forward to playing tennis.

Dolores

And yes, I will continue to send MMMeetings throughout the year. If any would prefer for me to remove your name from my list, or know of someone who is not receiving my updates, please drop me a line.

Joan Phillips had written:

Hi Pam,

We are jealous — we can't leave till after Thanksgiving. Don can't wait..... the weather has been awful - rain, rain, rain and two days ago we had winds up to 70 miles per hour. Electricity was off - but fortunately we didn't get snow, just more rain....Everything outdoors has been cancelled this year -- Today is Halloween and it's a nice day so far, but they expect rain this evening....Oh well, glad you're getting out of this stuff.... Have a safe trip - see you soon.

Love, Joan

For all those traveling this week, have a safe trip and drive carefully. For all of you who have other commitments and can't come until later, we'll keep you in our thoughts as we enjoy this great weather. Till next week. Pam
