Hello to all:

The weather has been perfect here at the Tip. Warm/hot days and cool nights. Lot's happening with things pretty much in full schedule. More people arriving daily. For all those who still have commitments up North until after the Holidays, we're sorry you're not here enjoying the good life.

I've had a couple of notes I'd like to pass on:

From Big Bad John:

Hi! Ya'll

Well it is that time again when I will be shutting down tonight, Tuesday the 7TH. SO, PLEASE HOLD your email until further notice, I mean really hold it, none of this slipping by. HA! Should be back up some time early next week. If you are traveling have a safe trip, if you are headed for the TOT RV park will see you there & for the rest of you who are already there will see you then also. Until then have Fuuuuuun!
(BBJ) Big Bad John Tunin

P.S. For you who are not going to Texas will talk to you later.
Then a nice note from Joan and Don Phillips:

Hi Pam,

My prayers have been answered — the weather has perked up.. Yesterday was a beautiful day - up in the 60's. Don is much happier now that he can get outdoors again.

Glad you are at the Tip and having a good time. Two more weeks!!!! I always have mixed emotions — hate to leave the family and friends I have here but love the family and friends at the Tip too....

Have you heard anymore about the city buying part of the land on our side of the tracks?

Carroll and Kay Titemore might not be there at all.... they are my next door neighbors from Syr. Carroll had a back operation and is not doing as well as expected - is having problems with a nerve and his prostrate — they usually get there in Oct. He's hoping he can fly down in Jan.

See you soon,

Love, Joan

Then I heard from Jack and Pam Brown who used to live on Lakes:

Hi Pam: Sounds like your having fun back in your element (Tennis). Just a short note to thank you for sending us the MMM. We still like to keep up with what's going on at the Tip and how everybody is doing. I took this picture across the street from us a few days ago. The Fall colors are so pretty this year. Even though it has been dry in Okla. we still have beautiful colors. Tell your Mom and Dad we said Hi. Thanks again for the MMM's and enjoy your stay at the Tip. Jack & Pam

And, they sent me a beautiful picture of the fall colors in Okalahoma:

So that's the news for this week. Drive safely and hope to see everyone soon. Pam
