Hi to all:

Since I will be leaving next week, going North to be with the Grandchildren, I want to wish everyone a very Merry Christmas. Sorry to say I will be unable to send the next MMMeeting. With both Christmas and New Year's falling on Mondays, there may not be another meeting until the first of the year. That being the case and you're soon to be traveling, please take care and have a safe trip.

More residents are returning each week. It's so good to see familiar faces. Hopefully the weather will remain warm and sunny for our enjoyment. Think I'll have to wear my long johns to travel to central Illinois.

For all those tennis players, we're going to have the "Fun Tournament" this Saturday at 10 a.m. Again, that's if the weather permits. No need to sign up...just come out to have fun. Everyone plays. Hope to see you on the courts.

Happy Holidays to all!!!! Please remember the reason for the season. God Bless you all!! Pam

Connie gave the Hospital report:

Anna Baker is home.

Clarence Weber may return home today or tomorrow.

Great news about Barbara Sherbeaut-she has been taken off the respirator, and is doing much better.

The solemn news today is that Dick Craig passed away this morning. All his sons are here to stand with Jeanette during this sad time. Tentative plans are for a memorial service at St. Anne's Catholic Church on Wednesday.

Pastor Bill led us in prayer, asking for God's comfort for this family and in thanksgiving for our larger family here.

Lavon asked all returnees and newcomers to stand and be welcomed home.
There are a lot of people here now!

Bonnie and Gene Christian spoke briefly. Bonnie has tickets for the Scandinavian lunch available in the Front Office. Gene said the new building is nearly ready for use! The buses should be ready in about 2 weeks. Volunteers with appropriate driving licenses will be needed; if you think you can do this, check with Lavon or Jennice in the Activity office. The buses will be available to resident groups free of charge for one-day trips, but we will need drivers. NO DRIVER-NO TRIP
