Hi Y'all: Warmed up a tad, but still need the sun to shine. Listening to the "ol timers," this has been the wettest, cloudiest Jan. they can remember. It has been cooler, but never has it last as long as it has this year. Of course we're griping (that's what we do), but have you looked how cold it is up North? Cleveland, OH has all the snow and North Dakota the cold. Heard a fellow say this stuff is a lot easier to shovel. So we'll wait it out.

Tennis players: the Tropic Star Fun Tournament has been put on hold until we can find courts. Sadly to say, all schools have so much security that Joe Public is not allowed on the premises. If a courts are not found....Tip will go ahead with our Sweetheart Fun Meet on our courts. So, KEEP Feb. 10 open and think SUNSHINE.

Also, this Sunday, Feb. 4 is our regular scheduled Tennis Meeting at 4 p.m. in the Arts and Crafts room. Come to Open Rotation at 3 p.m. and stay for the meeting. We need to sign up for our catered tennis banquet March 4. Other things to discuss is our Summer Get Together. We need your help.

Wishing everyone a great week. Pam
