Sorry this is so late...seems like the time is flying by. To begin with...please remember to set your clock ahead this evening so you won't be late for church tomorrow.

Another beautiful week here at the Tip. Weather has been great. Really to bad that most of us are thinking about packing to go North. We all know that it's still cold up there...just because the midwest has 40 & 50 degrees is no sign that's it's going to stay warm.

Get out there and enjoy your week. Don't forget appreciation day on Wednesday. Can't believe their having our St. Patrick's parade then.... but then again they didn't ask for my opinion.

Enjoy.....Pam

Lavon called the meeting to order at 10:00. We said the pledge to the flag.

Pastor Bill gave the hospital report:

-Max Miller is in the hospital back home for surgery.

-Gert Thorstenson has had stints placed and is recovering at home.

-Margaret Ludwig was in a traffic accident, and remains in the hospital for tests.

Matt and Mary Kitkowski ask for prayers for the recovery of their infant great-grandson who will undergo heart surgery on Wednesday.

Pastor Bill led us in a prayer for wisdom and skill for the doctors

and

for the return to good health of all.

Bonnie Christian reminded everyone to read the instructions on how to forward mail, and also that it is time to reserve sites for next season.

The Tip of Texas Senior Olympic teams brought home the trophy for the 5th year! Led by the TOT cheerleaders the contestants paraded into the Hall wearing their green Olympic shirts and their medals. What a lot of athletes there were! The trophy was not won for us only by those who received medals There were over 100 points that went to the Tip total score because of those other players who came in 4th, 5th, 6th, and so on. Thanks from all of us to all of you who participated.

Total participation as well as the encouragement of the cheerleaders made a great team. Not enough can be said about the hard work that Charlotte Cooper did arranging, encouraging, and cheering on the teams. Thanks Char!

Charlotte received a standing ovation from those attending this meeting for her spectacular performance!

Another special event today was a display by the TOT Drill team. Under the direction of Jane Albrecht these sixteen women strutted their stuff with several formations. What a good job they did! Jane said the team is looking for new members for next season. The team practices on Fridays for only 1 hour. Any woman is welcome to join.

Jennise told us that the entertainment this week will be Tucker on Tuesday evening and Myrna Hunt, the desperate housewife on Thursday.

The St. Patrick's Day celebration this year will be held on Wednesday, March 14 in conjunction with the Wilder Appreciation day. Parade will be in the morning with dinner at noon.
