I am saddened by the events at Virginia Tech. I cannot understand what makes a person want to take another's life or cause physical harm. What has made our society put so much pressure on these people, that this is the only way out for them? So Sad! I'm hoping this tragedy hasn't touched any of you on a personal level. Not to say that our caring and sorrow isn't personal, but if you knew a victim or their family, our sympathy goes out to you. Let us all pray for these families. Take time for your loved ones and make the most of your week. Pam

Lavon called the meeting to order with the pledge to the flag.

He gave the hospital report:

Jane Leech will have surgery tomorrow.
Midge Sykes is still in Edinburg Hospital .

News from the North: Yvonne Crockett is recovering slowly.
Bill Peters has entered re-hab.

Ray Pepe led us in prayer.

Bonnie Christian reminded all those who are leaving to be sure to file a mail forwarding card with either Bill Pugh or the Front Office. She wished all travelers a safe trip and a speedy return. She extended an invitation from Our Savior Lutheran church to all those who stay here for the summer. They welcome all who need a summer church home to join them.

Mary Kitkowski called for everyone to join her this Friday at 5:00 P.M. for a soup and sandwich supper. This will be a free supper, as nearly all supplies have or will be donated. If you have any veggies, cheese, bread, or supplies for cookies please bring them to lot #974 or to the Office (they have a fridge there). Bean and Vegetable soup, Grilled Cheese sandwiches, Salad, and Homemade Cookies are on the menu for Friday.

Ray Pepe says he needs the money for the baseball tickets today. The bus is nearly full. If you are not going on the bus, please be sure to notify Ray. There are a few places available.

Joe Strain told us a very funny joke about the perfect wife.

Jack Muller announced that as a good crowd attended last week, there will be Karaoke again this Friday night from 7-10 in the Friendship hall. Jack will be there from 6:30 for those who wish to practice. Come on over and listen, even if you don't want to sing. Gene Christian said that Bonnie will audition this week!

Rene St. James reminded us that Ice Cream will still be served on Wednesday from 2-4, in the Main Hall – 75 cents.

Bottom Line Band continues to play on Wednesday evenings starting at 7:00.

50/50 won by #976.

We sang God Bless America.

Thought for today: BE the change you wish to see in the world. Mahatma Ghandi.

Have a great week–Kathie
