Sad news

With all the sadness and trauma going on in the world at the moment, it is worth reflecting on the death last week of a very important person, which almost went unnoticed. Larry LaPrise, the man who wrote "The "Hokey Pokey" died peacefully at the age of 93. The most traumatic part for his family was getting him into the coffin. They put his left leg in..... He put his left leg out....And that's when the trouble started. All right !!..... You know it's funny.... I don't care who you are.

I just had to pass that on....

Seriously...I did hear that Joe and Hilda Claude are now home in Estevan. They will soon be traveling to Denver to attend their Grandson's graduation receiving his Doctorate in Physiotherapy. Quite an honor...congratulations to him.

We finally had wonderful weather this past weekend. Warm with lots of sunshine. Perfect tennis and golf weather, also good for mowing the lawn, washing the car, cleaning up the yard, etc. Nice days for doing lots of work. Sure miss the Tip and having someone else do all the work. I hope you had a nice weekend also.

Midwest is expecting rain this week. We'll try to head it up north where they're in need of moisture. Wishing all a good week. Pam

Lavon started the meeting at ten o'clock.  
We said the pledge to the Flag.

Connie Harmon gave the hospital report:

Jean Leech is in Renaissance re-hab

Brenda Muller had surgery on her elbow last week, and is recovering at home; Jack says she still hurts. Midge Sykes is recovering at home. Ethel Comunele is having treatment up north; is feeling better. They are trying to build up her system. Connie led us in prayer.

Ray Pepe told us that the bus to the opening baseball game is full. He asked if the group would be interested in attending the Arena Football games at the Dodge Arena.

Ray also told about an amendment to the property tax which will come up for vote on May 12. He encouraged all registered voters to go and vote for this proposal, which has to do with the Homestead Act. Ray also will register voters, not for this election, but for forthcoming ones.

Lavon told us he had received an e-mail purporting to come from the Laredo National Bank. He called the bank, and was told that this was a scam. So beware of incoming messages.

The Bottom Line Band will play Wednesday night every week during the summer.

Thirsty Thursday will resume this week with a trip to the new Olive Garden on tenth and Nolana. Sign up and join the group. Be there by 4:30 to eat, 4:00 at the flagpole.

We sang Happy Birthday to Anna Baker and Bert Dewey.

Gene Christian encouraged everyone to come to Karaoke on Friday nights from 7-10 in the Al Barnes Hall. Jack Muller says Karaoke will continue this as long as he and Brenda are still here and there is enough people in attendance. Come on over and join in.

Rene St. James reminded us that, as he and Donna will leave next week, this is the last week for the ice cream social. It is getting very quiet here.

Joe Strain told a joke about called " If men would only listen".

50/50 won by Joan Craig # 450  
We sang "God bless America".

Thought for today: The smallest deed is greater than the grandest intentions.

Have a great week. Kathie
