Monday, May 28, Memorial Day

Ray Pepe started the meeting. We stood for the pledge to the flag. Ray said some words of remembrance for those who have served our country.

Connie Harmon gave the hospital report:

--Oscar Dempsey came home from the hospital, but has now has gone to Houston for another opinion on his condition.

Juanita has gone with him to visit their daughter.

--Mary Dwyer is recover ing from her injury and was in attendance this morning.

--Mary Gray will come home this week!

--Don Maxiner has been moved to Legends Rehab for further monitoring and evaluation. He would enjoy visitors.

--Richard and Joyce Haupt asked for prayers for their son who has developed leukemia.

Connie led us in prayer for these people and for our Servicemen, and for our Country. Pray for Peace.

Bob Miller will be 91 on May 31..We sang Happy Birthday.

Ray Pepe reported on the trip to the ballgame last Thursday. Our team lost, but our group won the free pizza . Next jaunt to the ballpark will be on Thursday, June 6th. Sign up now, and get your money to Ray ASAP.

Barbara Horne, ably assisted by Bob Mattei, held a Karaoke session last Friday night in the AC room. We had a great time! Barb says they will continue to play every Friday as long as there is sufficient interest.

Bottom Line band plays every Wednesday at 7:00. Attendance has been about 110 every time so far.

Thirsty Thursday will be at the Garden Room. Larry Underwood will make the reservations.

Joe Strain and Bob Wyatt each told a joke.

We ended by singing God Bless America.

Thought for the Day:

We cherish our friends not for their ability to amuse us, but for ours to amuse them.

Please forward this to your email list, as Oscar is still not here. Have a great week.

Kathie
