Hi to all:

Can't believe it's August. Hot and steamy in central Illinois after the recent storms. You have your own sauna in your own backyard. Not pleasant to work or even be out in. Heat waves can be very bad. Hopefully it'll cool off by the weekend.

Sending our sympathy and concerns for all those in Minnesota for the destruction on their bridge. Thankfully I received the following e-mail from Dallas and Mary Jo Carlson:

Greetings from Minnesota, good friends.

All is well with Mary Jo, Dallas and other Minnesotans that winter at T"O"T RV Park.

The tragedy of our 35W bridge collapse will long be in memory. Some humor is hopefully found in knowing I'm wearing my life preservers when I cross remaining bridges that need inspection.

Please keep the missing and hospitalized folks and families in your closest prayers.

God will, we'll see you again in 2008 at our park.

Dallas Carlson

Thank the Good Lord for their safety. And, thank Dallas and Mary Jo for thinking of us to let us know that they were safe. We do worry about our Tip Family.

Please have a happy and safe week. Keep cool and most of all...enjoy your days and live each day to the fullest. E'ya soon. Pam

Monday, August 8

Lavon started the short meeting with the pledge to the Flag.

There was nothing new in the hospital report. Mary Gray and Dorothy Whidden are both still in rehab. Ruth Burda is making a good recovery after her knee surgery. She now barely uses her cane.

The only somber note is the report of George Weber's passing yesterday.

Ray Pepe said a prayer for all of us.

Delores Sears sends her thanks to everyone who sent cards and messages for her recent birthday.

Doughnuts today are the gift of Ray and Norma Pepe in honor of the August birthdays of Leila Bishop, Ray Pepe, Ginger Morris, Jane Hubbard, Dale McMillon, Larry Underwood, Jim Raabe and Kathie Hall.

Ray reminds everyone of the baseball game this Thursday. He needs your money for tickets now.

The Video room will be open today from 10:30-11:00.
