Good Morning to All: Central Illinois provided a wonderful, slightly warm, Labor Day weekend for us. Hopefully we all enjoyed getting together with friends and enjoying some of the late summer days. I personally was able to sail on Lake Erie, play tennis, play golf, and enjoy the company of good friends. What a great weekend, even though I got beat at tennis.

I want to pass on some of the correspondence that I have received this past week. First is from Lou Simon...who just turned 85.....Congrats to you, Lou...wishing you many, many more.

Surprise, surprise. When I opened the mail box it was a gigantic surprise to say the least. Dot's mother, sister and husband, our daughter and husband were on hand to help my day. People must think 85 is big milestone. It made me think how time fly's. It seem only a short time ago I was the mean little kid. Thanks everyone. Lou

For all of us who know you, Lou....we believe you about being a "mean little kid." Next I have a request from Delores Simpson (concerning our taxes.) Please help them out if you can.

I am forwarding this in case you know of someone that has a video or will be moving a park model to help video for our (those people with park models to get a refund) attorney. Thanks DeLores

Hello Everyone

Gene Flynn called me today and ask me if I knew of anyone that knows some one that is going to take down and move a park model or trailer that is skirted and tied down he wants a video tape of them doing that. also putting it back up. I think I told you that the hearing on Jan 29 that we went to well the judge ruled in favor of the Appraisal District and our Attorney called and he wants to file an appeal of the verdict. he needs a video tape to go to court with. So if you know of anyone that is going to do that let me know. He thought that maybe some dealer might have a tape. will try to get in touch with a dealer down there. So will see what happens. Gene

Let me know if you need Delores's or Gene's address.

A note from Joan Cuda:

Thanks for the picture. We had a great time. My tennis is over for the season, so I am a little depressed. We are keeping busy following our grandchildren around to watch their sporting events. We are going to Kansas City this weekend for our granddaughter soccer tournament. We will be headed for Estes Park the 10th of the month.

Can't wait to see everyone from the TIP. Tibbets stopped by on their way back to Kansas City. JoAnn Booth called and sounded very happy about her visit to Mayo.

Joan Cuda

In hoping to hear about JoAnn's Doctor's appointment at Mayo Clinic I received this note from Larry:

As you new JoAnn had a appointment at the mayo clinic. The headaches she has had for years were diagnosed and we think this time she may have a cure. We have been everywhere and spent thousands over the years we pray this is the one. your friend Larry

So glad to hear this news....

Only a couple of months of work for most of us and then to the Tip for fun and games. Can't wait to see you all. Wishing all a great, safe week. E'ya soon. Pam
