Good Evening to all: I received a request that may prove to be very interesting and lots of fun. Hopefully we'll all participate:

Pam

When you send out your next Monday Morning Minutes, could you please ask our TOT people to bring photo's of their younger years when they return to the Tip. We are going to have a contest to see if people will be able to recognize and identify people at the Tip by their younger photo's. Prizes will be awarded. This should be fun. We can't wait to see your photo Pam.

Thanks Brenda Muller

So go through your old photo albums and bring some pictures. I haven't heard from anyone this week....so this will be short and sweet. E-mail me and let us know what you've been up to. Have a good week. Pam

Pastor Bill led a prayer for these friends and also for Dora Wylie who is leaving our park after thirty years. Dora spoke a few words in farewell as she is moving to be nearer her family. She said "Thanks for some great memories." She is 93 years old. Maxine Brooks invited everyone to have a piece of cake in celebration of Dora's life with us.

Roy West introduced his guest, Carol Gilchrest.
