Good morning to all: Illinois weather has been perfect for the farmers. Warm and dry until yesterday when the rains came....but that gives them a break and a little rest. I've only heard from Joan Phillips this past week with any news. Poor Joan fell on the tennis court and has broken a bone in her foot. Doctors first thought surgery and a pin, but second specialist believes it may heal without that. So get better soon, Joan. And Don, good luck trying to keep her off her feet and taking it easy.

Only a few more weeks until some of us will be heading south. My "must do" list is getting shorter. Oh, notice that they're installing the air conditioner in the new building. Good news.

Question.....why do they have the Wilder picnic in Sept. when the majority of us do not return until Oct/Nov/Dec.????
Guess I answered my own question!!!

So much from my soapbox. Have a good week and see you soon. Pam

Monday September 24

Lavon led the meeting.

There are no new reports of hospitalizations.

Mary Gray and Dorothy Whidden remain in rehab.

Ken Scofield, a former resident died last Thursday. services for him are being held tomorrow in Kansas.

Pastor Bill told us that there is a possibility that Mary Gray may be coming home October 15th. He suggested that when Mary does come home, she and Jack might welcome some help from their friends and neighbors.

Pastor Bill led us in prayer , asking for God's special blessings for Mary.

There were several returnees this morning. How nice to see their faces!

Donuts today are the gift of Alice and Don Maixiner.

Bonnie Christian spoke about the history of the annual Wilder picnic. Tip of Texas and Alamo Rose are co-hosting the event here on Friday; starting with games at 9:00, donuts and coffee around 10:00, lunch in the Main Hall at noon, and Bingo at 2:00. This picnic is offered as a thank you to all Wilder Park residents. Bonnie said they expect about 500 to attend. If you have not signed up, better do so now.

Bonnie also said that the Neighborhood Watch signs have been ordered.

New carpeting has been installed in the hall and front office areas. There will be no more card playing in the office lobby. Players are asked to use the Al Barnes building instead. Air conditioning is to be installed there this week.

Ray Pepe reminds all who ordered the "club" that the money is due now.
