Happy Thanksgiving Everyone.....Can you believe that Turkey Day is this week. Seems like we just arrived here at the Tip and November is almost over. How can the time pass so quickly??

More residents arrive daily. We've almost gotten our full slates of tennis players. It is so good to see the courts being used to capacity. Glenn Elliott has started beginning lessons and I believe that there are at least 4 taking advantage of his services. Thanks Glenn for supporting or sport.

For those tennis players.....remember TURKEY TROT FUN MEET will be Thanksgiving morning at 8:30 a.m. That way we can have time to go home and cook our Thanksgiving meals. Everyone is welcome and please come, I promise you a good time. Number drawing at 8:30, you don't want to be late!!!!

Please remember to forward your new e-mail addresses to me if they change. I know some of you change carriers when you come to the valley. Again...Happy Thanksgiving. Pam

We all sang God Bless America.

Thought for today: Some mistakes are too much fun to make only once.

Have a great holiday--Kathie
