Hello to all:

Just wanted to remind you that it's only 2 weeks till Christmas. For some reason, when it's been over 80 here for the past several weeks, that is very hard to believe. My friends and relatives are not very sympathetic when I complain that we have to wear our jackets. But we all know how that biting wind feels.

There is just one thing that I have to pass on to you. I haven't heard from anyone this week, but I was concerned about some of our problems here at the Park. If anyone would like to contact Mr. Wilder his address is:

Maurice Wilder
Wilder Cooperation
2536 Countryside Blvd
Suite 50
Clearwater, FL 33763
Fax 727/791-1798
e-mail - wildercorp@aol.com

Everyone have a great week. For all of you who are not here as yet, we are enjoying the weather and activities in your absence. Please drive safely if you're going home for the Holidiays. Eya soon.....Pam

Lavon called the meeting to order. We said the pledge to the flag.

Pastor Bill gave the hospital report: at present there are non of our residents locally in the hospital, but :Leon Bevins, Mel Boone, and Lila Bishop will all have surgery this week. Dorothy Bynan is in the hospital in Minn. Baby Ryan has been returned to ICU. He needs our special prayers.

Pastor led prayers for Healing Mercies for all .

New residents and returnees were recognized. Many familiar faces helped fill the Hall.

Bonnie Christian showed a box that will be in the Front Office for Christmas gifts for the Maintenance, Security and Housekeeping crew. Jim Merton passed it around for donations.

n Bonnie also said there is a letter here from someone in China with no return address. If anyone knows anything about this see the Office.

n Water will be turned off on Forest and Brazos streets until a leak has been repaired.

n Someone took a whole plastic bagful of paper towels and a box of hand soap for the bathrooms.

.
